

Honor Roll of Donors

Millsaps College is deeply grateful to alumni and friends whose generous gifts make life-changing educational opportunities available to our students.

The gifts of all donors listed in this report were received from July 1, 2016 through June 30, 2017.

Thank you for your commitment and support.

Message from the President

Writing this message as the 2017-18 academic year is well underway, I am pleased by our continued success and grateful for your trust, confidence, and financial support of Millsaps College.

This fall, we welcome 229 first-year students to the Millsaps campus. The class boasts a record high average ACT score of 27, and more than 10 percent of the class are legacy students, which further illustrates the support of our alumni for Millsaps. Six percent of our incoming freshmen are international students from Bolivia, China, Ethiopia, The Gambia, Germany, India, Iran, Japan, Kenya, Mongolia, Singapore, and the U.K. In fact, we currently have students from more countries (29) than we do states (21). And, as of this writing, we have received well over 1,000 applications for the fall 2018 semester, and already admitted more than 400 students!

These students are coming to Millsaps at a time of tremendous advancement, both academically and in our campus enhancements. Our study abroad program was ranked among the Top 20 programs from 100 colleges and universities across the nation. Approximately fifty percent of Millsaps faculty teach classes around the globe. The College's European Business program offers students a chance to travel, study, and live with professors from Millsaps in at least three European cities—currently Florence, Dublin, and London—each with distinctive culture and business practices. Millsaps College Arts and Science faculty members regularly offer theater and political science courses in London and psychology courses in Florence and Dublin. The Else School also offers a complementary study abroad program in Yucatán where students study the economy of developing countries, and we also have a cohort of undergraduate students spending the fall 2017 semester studying in Yucatan. And, this year we launched the Arthur Vining Davis Foundation International Perspectives Program which brings the world to the Millsaps campus by integrating global perspectives and experiences into our nationally recognized liberal arts program.

Around campus, it's hard to miss the progress! We recently began a transformational renovation of the Christian Center, including classroom space, faculty offices, and a beautiful and expansive chapel. We are scheduled to break ground on a new Visual Arts Center which will expand the studio art offerings of the College as well as create new gallery and classroom space for the art and art history departments. Improvements on the west side of campus also include a new entrance on West Street - the original front door of campus - which will allow easy and safe access to and from campus, enhancing the many activities associated with the new Visual Arts Center, the interfaith chapel, the Else School, 1 Campus 1 Community, and more. Combined, these new capital projects will transform an important part of the campus and make a powerful statement about the excellence of the Millsaps experience.

The individuals, foundations, and other organizations reflected in this Honor Roll of Donors made our 2016-17 fund raising efforts highly successful. The fiscal year ending June 30, 2017 included a total of \$21 million in new gifts and gift commitments. Our Annual Fund campaign resulted in a record high of \$1.72 million in gifts from alumni, parents, faculty, staff, friends, and The United Methodist Conference.

The work we do here each and every day is tied directly to our strategic plan and finds its foundation in our vision statement, in which we define our goal of engaging students “in a transformative learning and leadership experience that results in personal and intellectual growth, commitment to good citizenship in our global society, and a desire to succeed and make a difference in every community they touch.”

Thank you for your gifts that help to make this vision a reality.

A handwritten signature in black ink that reads "Robert W. Pearigen". The signature is written in a cursive style.

Dr. Robert W. Pearigen
President

Honor Roll of Donors

July 1, 2016 - June 30, 2017

Millsaps College takes seriously its responsibility for demonstrating good stewardship with the gifts generously given by alumni and friends. Please contact the Office of Institutional Advancement at 601-974-1031 if you discover an error in the listing of your name.

Founders Society

The Millsaps College Founders Society is made up of individuals and organizations of the highest distinction. Each member has played a profound role in shaping the future of the College through lifetime gifts to Millsaps of \$1 million or more. These preeminent supporters help make possible a superior liberal arts education for generations of students to come, in much the same way the founders of the College did more than a century ago. Founders Society members as of June 30, 2017 are listed here and are also recognized on the Millsaps Tower, alongside the College's three founders — Reuben Webster Millsaps, Charles Betts Galloway, and William Belton Murrah.

Heritage Society

The Millsaps College Heritage Society was inaugurated in 1990 to honor those individuals who have made a planned gift to the College. Planned gifts include bequests, annuities, trust arrangements, life insurance gifts, and other deferred giving options that allow donors to meet charitable goals while making plans beneficial to their financial circumstances. The individuals listed in this report represent many, but not all, of those who have chosen to make a planned gift to Millsaps College. Other planned gifts have been made by many individuals who wish to remain anonymous.

Annual Giving

Annual gifts to the College provide the foundation of support upon which excellence is built. The individuals listed in this report reflect contributions made from July 1, 2016 through June 30, 2017. The following abbreviations denote annual giving society recognition: PSM: Presidents Society including William B. Murrah Council (\$10,000 or more); PSS: Marion L. Smith Council (\$5,000 to \$9,999); PSF: Homer Ellis Finger Council (\$2,500 to \$4,999); and PS: Member (\$1,000 to \$2,499); DA: Deans Associates (\$500-\$999); SC: Scholars Club (\$350-499); SCC: Second Century Club (\$100-\$349); CC: Century Club (\$100-\$199).

The Presidents Society

The Millsaps College Presidents Society is the leadership giving society for annual gifts and plays a critical role in providing philanthropic support to Millsaps by providing more than eighty percent of total gifts raised in any given year.
