Summarize briefly your studio art experience up to the present:

Attach a one-paged typed essay about a work of art that you plan to include in your portfolio:

- 1) Briefly describe the work (including subject, medium, dimensions, and context of its making: e.g., was it a class assignment or your own idea, and if representational, was it done from life or from a photograph?).
- 2) What most pleases you about this work (in terms of the style, use of medium, and/or content)?
- 3) What challenges did you face in making this work?

Portfolio Requirements: Your portfolio should consist of eight to fifteen original works in any medium, showing a range of your abilities and a sense of your development as an artist. We are especially interested in seeing evidence of your ability to draw from observation. We are happy to look at sketchbooks, and you are not required to mat your artwork. If you are unable to come to campus on Fine Arts Day, you may either send your portfolio or a CD of digital images, along with this application, to Sandra Murchison, Chair of the Art Department, Millsaps College, 1701 N. State Street, Box # 150652, Jackson, Mississippi 39210-0001.
