To: STDA 2040 and EDUC 3830 Students

From: Eric Griffin and Kathi Griffin

Subject: Study Abroad Insurance

In order to participate in a Millsaps-sponsored study abroad program, you must have study abroad insurance. This is included in the course fee.

If you can show sufficient proof of the required minimum coverage through your own plan, this amount (\$30) can be refunded. Your insurance must provide for medical evacuation (minimum amount: \$75,000) and repatriation (minimum amount: \$25,000).

If you can show proof that your plan meets the minimum coverage requirements stated above, please present a copy of the plan where such is stated to Sherryl Wilburn, coordinator for International Studies and Scholars at Millsaps.

If you have any questions about the eligibility of your policy, please contact Sherryl at (601) 974-1208 or by email at wilbuse@millsaps.edu. Thanks!
