

Date Changes are Requested to go into Effect Catalog Year: _____

***Please note proposals/changes need to be approved by April 1st of each year to ensure that they make it into the upcoming catalog**

Purpose:

To request to add a new major to the Millsaps College academic program.

Instructions:

- Complete the entire form below.
- If the addition of this new major affects another department, the proposer should contact the chair of that department and attach email correspondence to show communication and collaboration.
- If the new major requires the addition of a new course, please fill out a “Course Addition” form. Each added course requires its own form.
- Similarly, if the new major requires changes to an existing course, an “Existing Course Modification/Deletion” form must accompany this request.
- A detailed four-year staffing plan must be submitted with this application.
- The proposal must be viewed and signed by the appropriate Divisional Dean (see below) before being submitted to the Curriculum Committee.
- If unsure about the depth of detail required in this form, contact the Chair of the Curriculum Committee prior to filling the form.
- If more room is needed, please add an addendum and clearly identify which item is continued.
- Please plan accordingly: all new majors must be introduced at a faculty meeting and then voted on by the full faculty at the subsequent faculty meeting.

Date: _____

Submitted by: _____

Department: _____

Department Chair Signature (e-signature is acceptable): _____

Proposed New Major Name (if concentrations are available to show on transcripts, this should be clear):

Proposed New Major Code (4 letters): _____

Check the degrees that will be allowed with the major can be more than one: BA BS BBA

How many credit hours will the new major be? _____

What is the proposed CIP code for this program? _____

What department is this going to be a part of? _____

Have you spoken with your entire department before submitting this proposal to ensure you are on the same page? Check one: YES NO

A. What is the expected enrollment in this new major per year? Provide a data-informed rationale.

B. What is the purpose and justification for creating this major? Provide a data-informed rationale, and explain how this new major aligns with the Millsaps College Mission Statement and Strategic Plan.

C. What additional resources (financial and physical, e.g. library, administrative support, faculty lines) will be needed in order to offer this major?

D. On a separate sheet, submit a detailed four-year staffing plan.

E. How will the addition of this new major impact current academic programs? (For example, if this major is added, will a concentration in another existing major or existing minor change or go away? If one will go away, please provide detailed information in the space below. If one will change, please fill out "Major-Minor-Concentration Change" form.)

F. Create a checklist of requirements for the college catalog.

G. Explain how this checklist was created and detail which other institution's similar program(s) were evaluated as a comparison.

[Empty response box]

H. Provide a brief description of the major to be used for marketing/recruitment purposes.

I. Explain how this new major will be assessed.

J. Divisional Dean's comments:

K. This form must be submitted to the Curriculum Committee. Signatures below are required for approval. E-signatures are acceptable

Divisional Dean, Signed

Chair of the Curriculum Committee, Signed
