

Millsaps College Verification of VA Enrollment Form

This form must be completed at the beginning of each enrollment period (fall, spring, summer) by students who wish to receive Veterans' Benefits. VA will only pay for courses that apply toward a program.

Name: _____ Millsaps ID # _____

Term: _____ Year: _____ Degree & Major: _____

Course #	Sec #	Course Title	Number of Hours?	Required?

I understand that in order to be eligible to receive the full-time rate for veteran's benefits, I must be enrolled in 12 semester hours for undergraduate students and 9 semester hours for graduate students for the fall and spring semesters, and that summer school training time varies based on the number of hours enrolled. I also understand that if I withdraw from one or more of my courses after the school's drop period, VA will reduce or stop my benefits on the date of the reduction or withdrawal, and, in order to continue benefits, I must remain full time at 12 hours. In addition, if I withdraw from a course after the drop period, I may have to repay all benefits for the course unless I can show that the change was due to mitigating circumstances.
